A BACKWARD GLANCE

TO IDENTIFY THESE PICTURES
SEE PAGE 115.

Youthful bliss.

In the days when Knights
were bold.

Discussing politics, no
doubt.

A disarming smile.

Sweet Sixteen.

Timid and shy.

A horse just built for two.

Rid'em, cowboys.

Aw, teach!

A rare beauty on parade.

Fresh as a daisy.

A young dandy.

Posin!

Ah, spring.

Before glamor days.

"Our Gang."

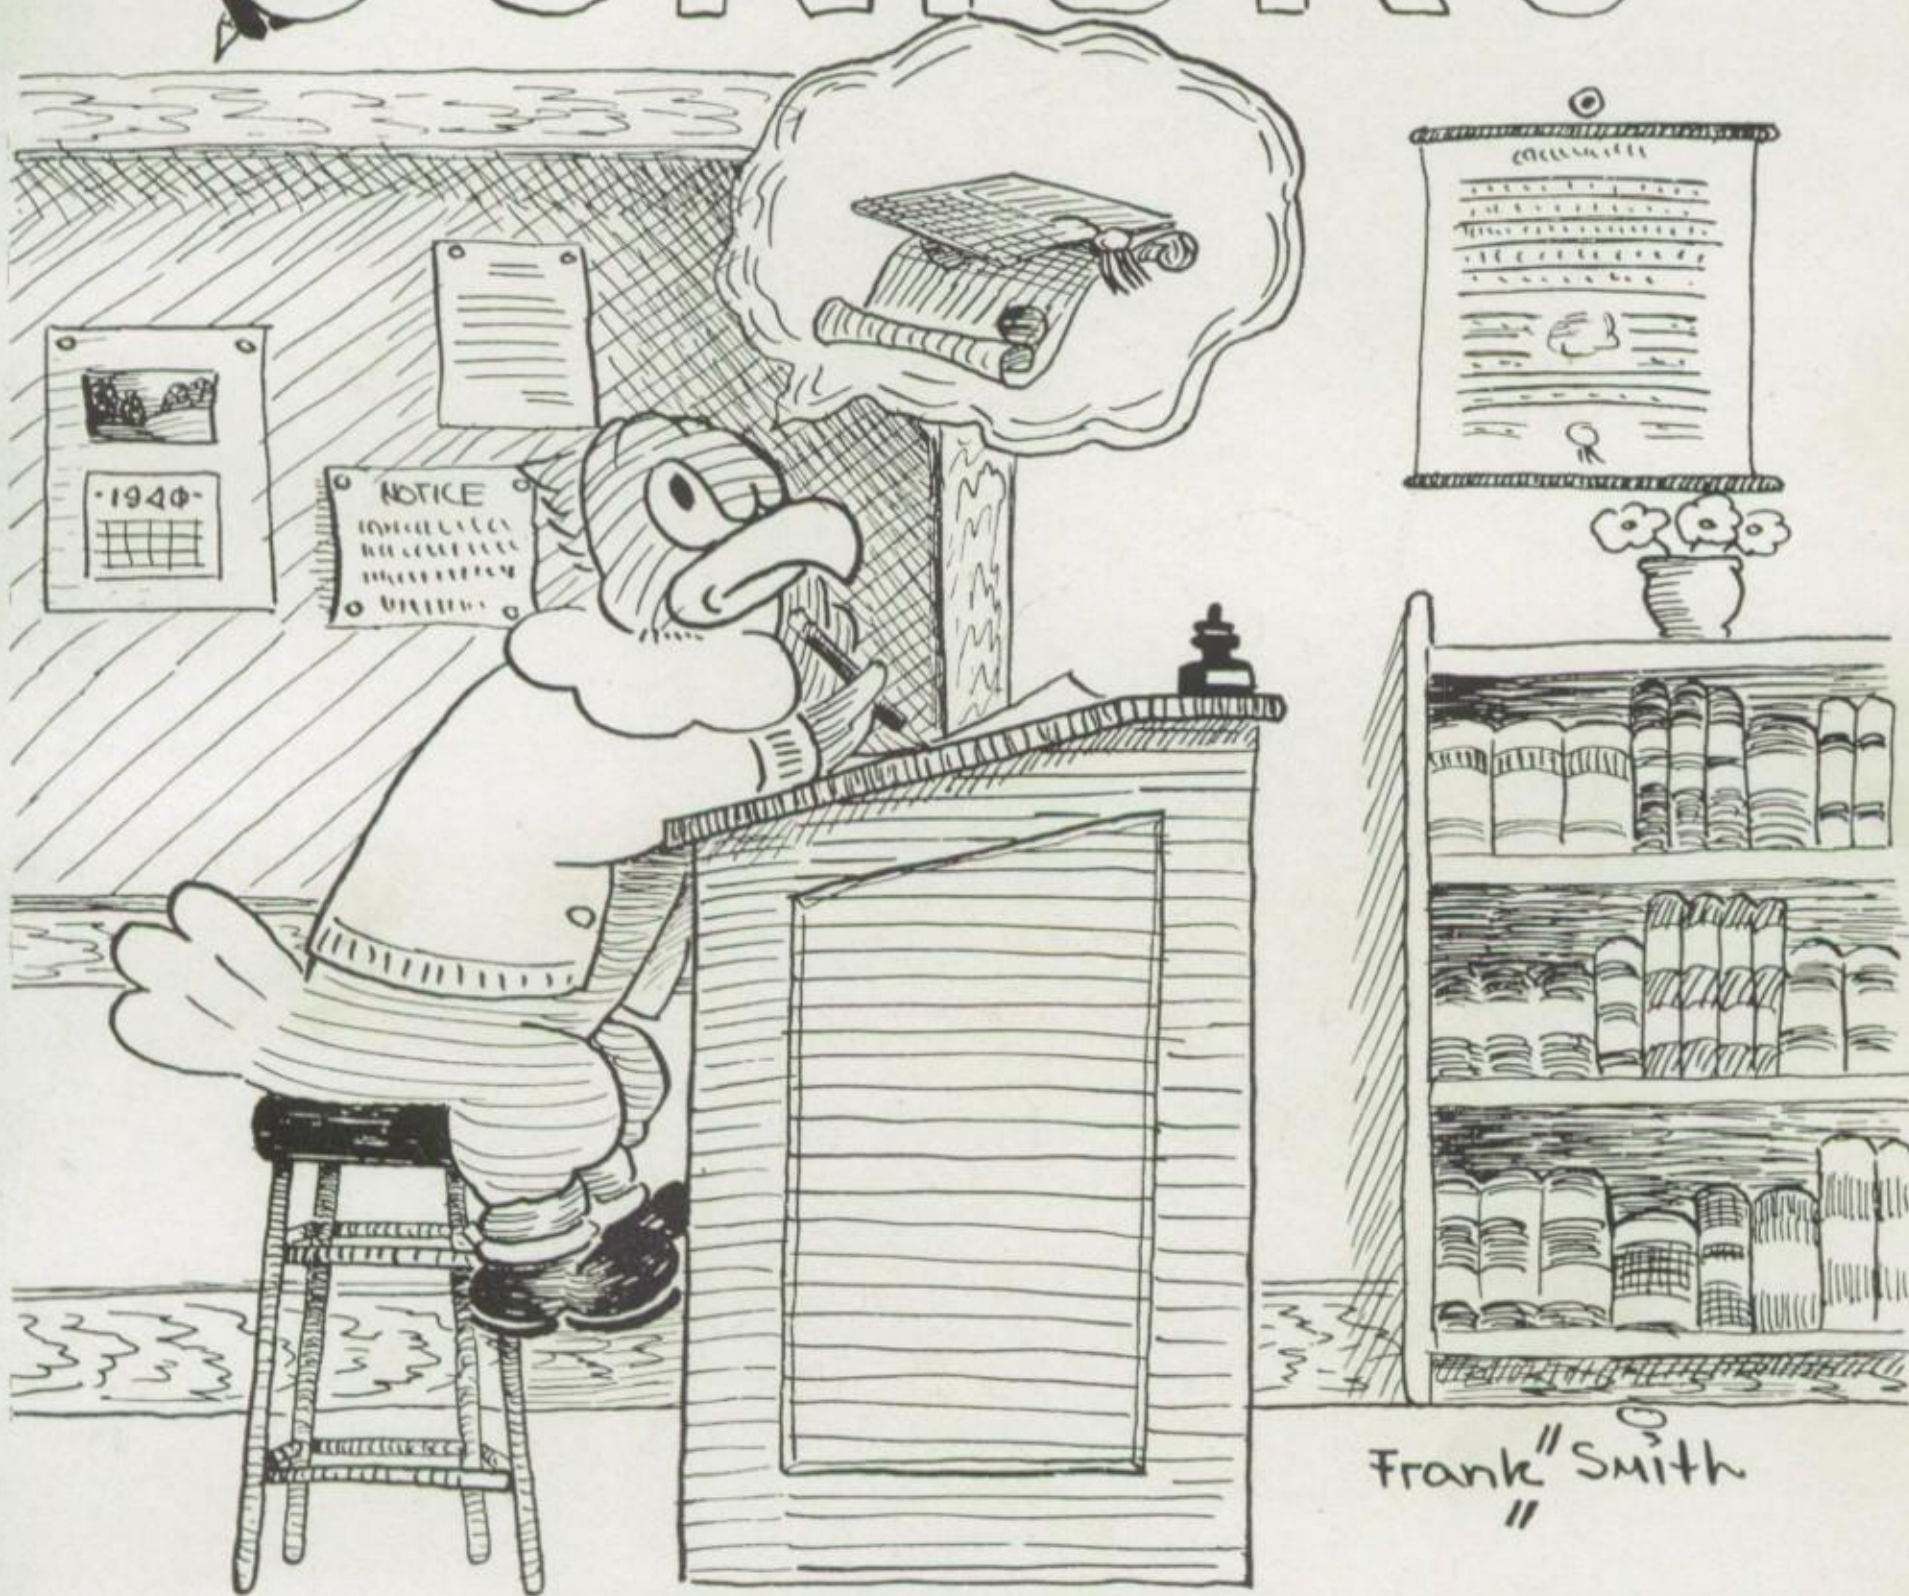

"Heap big doin's going
on."

Out for a spin!

"Toughie."

"Christmas in Many Lands."

Out for a stroll.

Music fills the air.

How's the weather up there?

Now mark my words!

Yell leaders' tears for "poor Poly."

That famous high, wide, and handsome smile.

Safety first!

"In the spring."

Frolicsome lassies.

Senior home room leaders.

At the T.H.S.P.A. conference.

Was that the way it happened?

Campus antics.

Leaders in junior home rooms and clubs.

One senior less.

Hither and yon.

Hobby horses.

The Lone Ranger.

Off we go.

Silly? Well, yes.

Mounting ambition.

When commencement comes round.

Empty spaces (faces).

Shutter bugs.

Tennis doubles.

The smiles of victory.

Philosophic musing.

At it again.

Sweet revenge.

Dressing up the gym.

Hold on a minute.

The barbershop quartet.

The villain foiled again.

Don't rush 'em, girls.

"Here the flowers is!"

Let's all get together.

Double feature.

At ease!

Heard on Americanization.

Horrors!

Genial and gracious.

What team won?

Relaxing.

Champions.

Band gets new director.

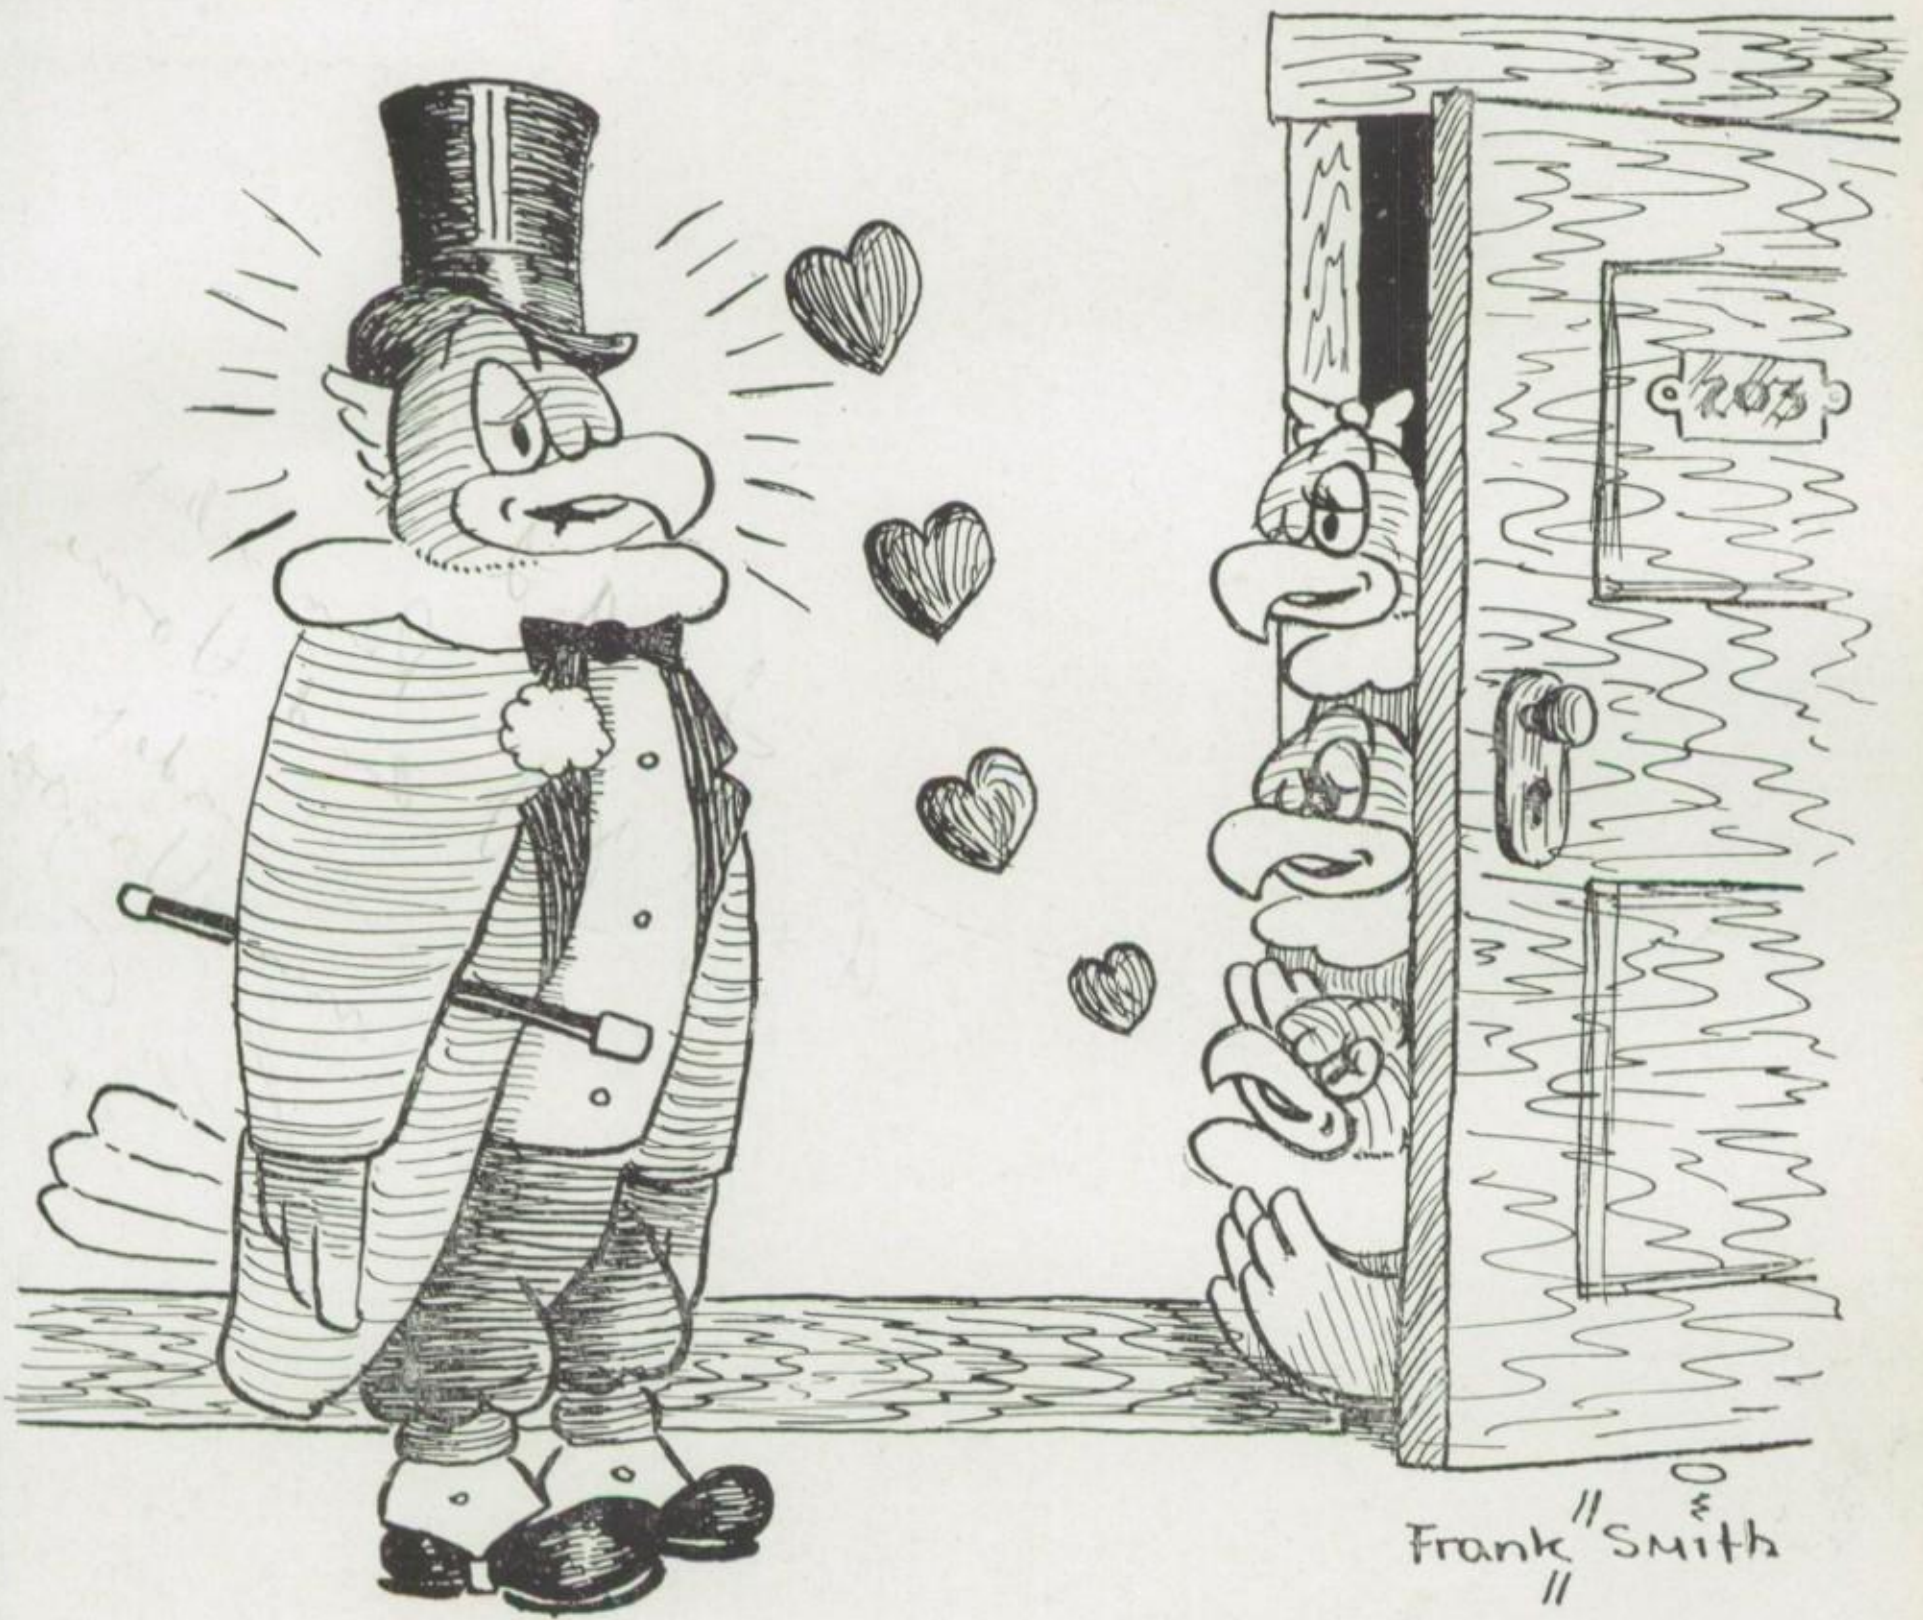

Always on the job.

Get your tickets right here.

A rare variety.

POPULARITY

The girls look at Egbert with joy;
He was chosen the favorite boy.
He's so well dressed and bold
That they think his heart's gold—
It's probably copper alloy.

FIGHT ON DOWN THE FIELD ——— TO (TECH-NI-CAL)

The first system of the musical score consists of a vocal line and a piano accompaniment. The vocal line has the lyrics "FIGHT ON DOWN THE FIELD ——— TO (TECH-NI-CAL)". The piano part features a series of chords and single notes. Below the music, a cartoon illustration shows a character labeled 'R' on the left, wearing a shirt with the letter 'R' and a small hat, looking towards the right. A dashed line with a starburst at the end indicates a throw or a fight move directed at a character labeled 'T' on the right, who is shown in a falling or being thrown position.

WE'LL NEV-ER YIELD ——— AL- WAYS BE TRUE TO YOUR

The second system of the musical score continues the vocal and piano lines. The vocal line has the lyrics "WE'LL NEV-ER YIELD ——— AL- WAYS BE TRUE TO YOUR". The piano part continues with similar musical notation. Below the music, a cartoon illustration depicts three characters: a bee on the left, a bull in the middle, and a character on the right running towards a sign that says "FINISH". The character running is wearing a shirt with a star and a small hat.

OWN RED AND BLUE ——— EA-GLES, WE'RE FOR YOU. ———

The third system of the musical score concludes the vocal and piano lines. The vocal line has the lyrics "OWN RED AND BLUE ——— EA-GLES, WE'RE FOR YOU. ———". The piano part continues with similar musical notation. Below the music, a cartoon illustration depicts three characters: a bee on the left, a bull in the middle, and a character on the right running towards a sign that says "FINISH". The character running is wearing a shirt with a star and a small hat.

W. C. O. Harris
Head Coach

W. C. O. Harris has made an enviable record as coach of the Carter Riverside High teams ever since the school opened five years ago. His teams have won the 1938 city championship in football, the 1939 and 1941 city and district championship in basketball.

He is an ardent student of athletics and puts forth every effort to get the best results from the material at hand. Carter Riverside teams have an outstanding reputation over the entire state for being smartly coached and always exhibiting the highest type of sportsmanship. This reflects the fine type of personality directed by Mr. Harris into his work.

Coach Harris is the type of man who has built football into America's leading sport. We feel proud indeed to have such a fine man as the director of our athletic program.

Julius Truelson
Assistant Coach

We feel that it is superfluous here to give an extended "write-up" of Julius Truelson, because he has had an integral part in the growth and development of the athletic program and in other phases of school life at Carter Riverside High. He is recognized by all with whom he is associated as a prince of good-fellows, a peerless coach, and an advocate and exemplifier of clean, sportsmanlike athletics.

Hague L. Lindsay
Business Manager of Athletics
Unfailingly genial, courteous,
and efficient.

In the two non-conference games opening the football season, Carter Riverside High played Cleburne to a scoreless tie and lost to Lamar High School of Houston, 20-7.

PASCHAL—OCTOBER 4

Carter Riverside started the conference season with a bang by defeating its old rival, Paschal, by a score of 35-0. For the first time in the history of Carter Riverside High School, the Panthers went down in defeat before the Eagles.

Lawrence Lamkin, Carter Riverside's rambling halfback, twisted through the line and galloped the length of the field for a touchdown, time after time. With a team that clicked, Carter Riverside won in a glorious manner.

Most of the members of the Eagle team had a chance to play in this game. Little Frank "Bunky" Smith fairly laid the opposing team in rows. "Bunky" is a little 100-pound halfback whose playing ability far exceeds his size and weight.

The whole Carter Riverside team did some fine offensive blocking and defensive work.

POLYTECHNIC—OCTOBER 10

From Polytechnic came the Parrots to give Carter Riverside High some strong competition. The real Carter Riverside High spirit was not shown until the third quarter. Lawrence Lamkin could not get started with his running tactics.

Two touchdowns were made on passes from Ja-rell to Lamkin, and a hard fought game was finished with Carter Riverside trailing on a 21-12 score.

David Miller

Back

A hard runner and good defensive back.

H. C. Nolte

Back

Co-captain. A hard plunger and good defensive back—an aggressive player.

MASONIC HOME—OCTOBER 18

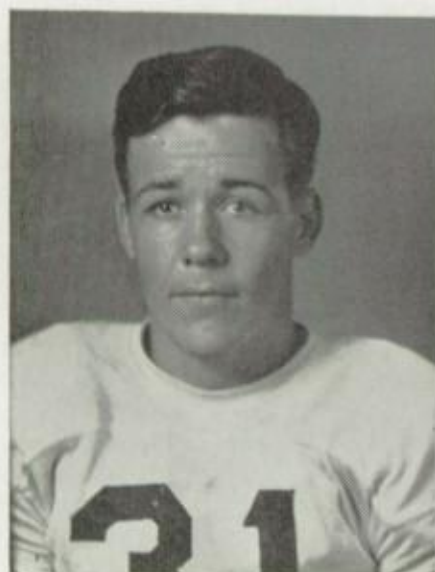

A game well worth seeing was that played between the Masons and the Eagles. The Eagles put up a hard fight; several players went the full forty-eight minutes.

Although the Masons came out with the big end of an 18-0 score, the Eagles gave them some stiff competition, which was to be expected from the battling Carter Riverside High team.

ARLINGTON HEIGHTS—NOVEMBER 1

Backing up the spirited Carter Riverside High Eagles and playing the full forty-eight minutes in the game with the Yellow Jackets were Martin Jarrell, quarterback, and H. C. Nolte, tough little half-back. These players and the other Eagles played a hard fought game.

In the four years' previous competition between the two schools the victories had been evenly balanced. The first two years Arlington Heights won, but the next two years Carter Riverside High came out on top. This year the Yellow Jackets broke the tie by a 18-0 victory.

NORTH SIDE—NOVEMBER 15

In the North Side-Carter Riverside High game a center who had not been attracting much attention was outstanding. Jack "Snoz" Rose starred as a fine backer.

Rose was backed up by Nolte, Miller, and Jarrell, who did fine work in stopping passes. A brilliant offensive game was also played by the Eagles, both in running and passing.

Lamkin shook loose into the clear several times but was brought down by Steer tackles. Lawson and Miller snagged some nice passes from Jarrell and Lamkin for long gains in yardage.

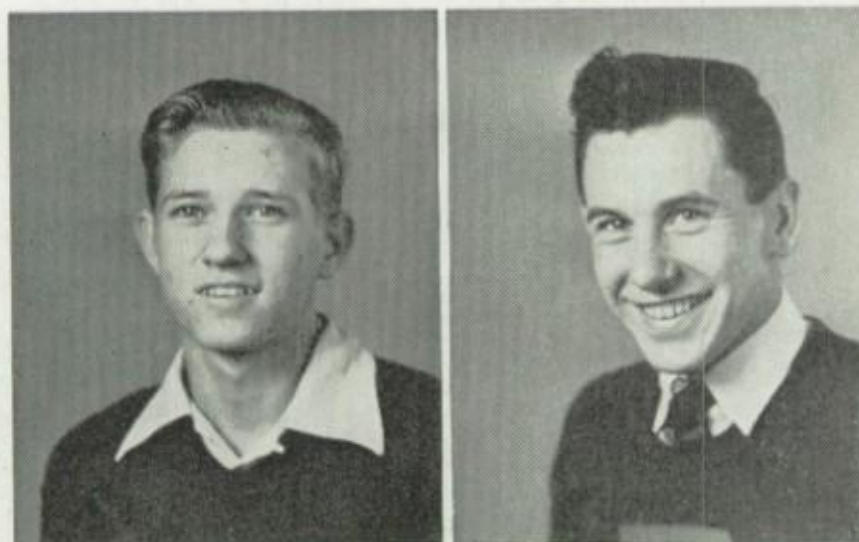

The fighting Eagles kept the Steer rooters on edge until the final gun ended the game—Carter Riverside High 0, North Side 7.

TECHNICAL HIGH—NOVEMBER 29

The Eagles ended a successful season by defeating the Bulldogs from Technical High. The only serious threat made by Technical was a 66-yard run by Shielder on the kickoff. After that most of the game was played in Bulldog territory.

The Eagles' big tackle, Gilbert Ohlen, starred in this game by blocking Roberts's punt. Without breaking his stride Ohlen grabbed the ball on the bounce and raced over for a touchdown.

In the last quarter Lamkin ran the ball around right end for another touchdown; Lawson kicked the extra point to give Carter Riverside High a 13-0 victory.

After winning the city and district championship in basketball, the Eagles also won their first game at the regional meet by defeating the Denton Broncos, 30-16. They were eliminated in their second game by Sunset High of Dallas, 29-25.

During the season the Eagles also won an invitation tournament at Bellvue. They played a total of 29 games, won 23, and lost 6. They scored 1014 points to their opponents 565.

The Eagles also brought home many individual honors. Eugene Keating, Doug Kenney, Bobby Doyle, and Martin Jarrell were placed on the all-city team. Kenney and Doyle were also placed on the all-regional team.

In the matter of scoring, Kenney set a record score of 26 points for one game; he set a new individual record in scoring for Carter Riverside High, and, with 261 points to his credit, he rolled up a good lead over his opponents in the city.

The coaches' award for free throws went to Martin Jarrell; 63 per cent of his free throws were good.

Gold medals, offered by the Athletic Department to the ten players on the city championship team who had participated in the most games, were awarded to these players: Bruce Craig, Bobby Doyle, Douglas Evans, Martin Jarrell, Eugene Keating, Doug Kenney, H. C. Nolte, Leroy Paul, Franz Schubert, Glen Walker. These medals have been given for two years only, and the Carter Riverside High Squad has won them both years.

GUARDIANS OF YOUR BETTER LIVING

Symbols not of war . . . but of SERVICE! The smoke stacks of our electric plants may resemble somewhat cannons but they are the tools of production — not of destruction. They are sentinels of electric service and better living—reminders of one of America's great blessings.

Twenty-four hours a day you have all of the electric service you want for better living—to make your life more enjoyable. And the cost is only a few pennies a day—one of the smallest items of your family budget.

YOU who graduate today are our citizens and leaders of tomorrow. The tumultuous world into which you now step challenges each of us to make it a better place in which to live — a place where freedom and justice shall prevail. Let the knowledge and *principles of right* learned in school aid you in building a solid foundation for good citizenship *as we want it in America*. Let those qualities of character so essential to self-support and self-respect — integrity, good judgment and thriftiness— help you in conquering the world at your feet.

Train for Business and Y

SAFE, SURE, SOUND,

What More Can Any Ambitious,

Why Take Your Business Course Now?

There are many good reasons why the high school graduate should take a business course *immediately after* receiving his diploma. Here are some of them:

1. If you are trained for business employment and then wish to go to college, you can use your education both to help you with your studies and to pay your expenses in case you need to be self-supporting.
2. If you do not finish your four-year course in college, you have something to fall back on for self-support.
3. If you finish your university course and cannot find employment in the profession in which you have qualified, you can take a business job.
4. If you follow the profession for which you prepare in college, a knowledge in business will help you to make it practical. You will notice that the best lawyers, the best doctors, and best engineers, etc., are all good business men and women.
5. If you do not desire to go to college, you will be able to secure a position and begin your business career as soon as you complete your commercial course.

A great many educators are saying, "FIRST finish high school, NEXT take a business course in a business school, and THEN go to college or go to work."

ward-Looking Young Person Want?

Where Is Opportunity?

In many *places* there is *no* opportunity—and for many *people* there is *no* opportunity. Opportunity travels on a high level—and opportunity, like a fast train, seldom stops where there is no chance to do business.

It is certainly true that the greatest opportunities today are in the field of business—and also that opportunity means most to those who are prepared to render superior service in this field.

If we are to take earnings as a basis for measuring success, business ranks head and shoulders above all other vocations. Making money is not the whole measure of success, but it is *one of the very essential factors*.

You are looking ahead and thinking ahead. You now have your basic education, and you're anxious to know *where* your chance for achievement lies. If you will look about you, you will conclude that there are a *thousand* business men needed for every doctor, every clergyman, every lawyer, every engineer, and every architect in the community. In other words, there are a thousand calls for trained young people in business to one for those trained for any given profession.

Business training will prepare you to make a living—that is the *first* step toward useful citizenship. It has been said that the kind of life one lives is determined by the way one makes one's living. If this be true—and it is—it is important to be able to make enough money to live well!
